

## INFORMATION CIRCULAR

### FOR THE ANNUAL GENERAL AND SPECIAL MEETING OF SHAREHOLDERS TO BE HELD WEDNESDAY MAY 18, 2022 AT 10:00 A.M. (PACIFIC TIME)

This Information Circular is furnished in connection with the solicitation of proxies by the management of **Silver Range Resources Ltd.** (the "Company") for use at the Annual General and Special Meeting (the "Meeting") of the shareholders of the Company, to be held on May 18, 2022 for the purposes set forth in the accompanying Notice of Annual General and Special Meeting (the "Notice of Meeting") and at any adjournment thereof. The information contained in this Information Circular is given as at April 4, 2022 unless otherwise stated.

## GENERAL PROXY INFORMATION

### Solicitation of Proxies

This Information Circular is furnished in connection with the solicitation of proxies by the management of the Company for use at the Meeting, and any adjournment thereof, at the time and place and for the purposes set forth in the Notice of Meeting. While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally, by telephone, facsimile or other electronic means, by directors, officers, employees and agents of the Company at nominal cost. The Company will bear all costs of this solicitation of proxies.

### Notice and Access

The Company has elected to use the notice-and-access model provided under amendments to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("Notice and Access") for the Meeting in respect of mailings to its registered shareholders and beneficial shareholders. Notice and Access is a cost savings initiative developed by the Canadian Securities Administrators that allows issuers to send shareholders a notice with information on how they can access an issuer's information circular electronically instead of receiving a printed copy, and how to receive a printed copy on request, resulting in the reduction of printing, distribution and mailing costs.

Registered and non-registered (beneficial) shareholders will be sent a notice package (the "Notice Package") which will include: (1) a Notice of Meeting outlining the matters to be voted upon and how to obtain a copy of the Information Circular; (2) a Form of Proxy or Voting Instruction Form ("VIF"); and (3) a National Instrument 51-102 Return Card to Opt-in to receiving the Company's interim and/or annual financial reports.

The Company has posted the Information Circular, the Company's financial statements for the year ended December 31, 2021 and the Company's management discussion and analysis for the year ended December 31,

2021 online at [www.sedar.com](http://www.sedar.com) under the Company's profile and at the following internet address: [www.silverrangeresources.com](http://www.silverrangeresources.com).

### **Appointment and Revocation of Proxies**

The purpose of a proxy is to designate persons who will vote the proxy on a Shareholder's behalf in accordance with the instructions given by the Shareholder in the proxy. The persons named in the enclosed proxy (the "Management Designees") have been selected by the directors of the Company.

**A Shareholder has the right to designate a person (who need not be a Shareholder), other than the Management Designees to represent the Shareholder at the Meeting. Such right may be exercised by inserting in the space provided for that purpose on the proxy the name of the person to be designated, and by deleting from the proxy the names of the Management Designees, or by completing another proper form of proxy and delivering the same to the transfer agent of the Company.** Such Shareholder should notify the nominee of the appointment, obtain the nominee's consent to act as proxyholder and attend the Meeting, and provide instructions on how the Shareholder's shares are to be voted. The nominee should bring personal identification with them to the Meeting.

To be valid, the proxy must be dated and executed by the Shareholder or an attorney authorized in writing, with proof of such authorization attached (where an attorney executed the proxy). The proxy must then be delivered to the Company's registrar and transfer agent, Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or by fax within North America to 1-866-249-7775, and outside North America to (416) 263-9524, at least 48 hours, excluding Saturdays, Sundays and holidays, before the time of the Meeting or any adjournment thereof. Proxies received after that time may be accepted by the Chairman of the Meeting in the Chairman's discretion, but the Chairman is under no obligation to accept late proxies.

Any registered Shareholder who has returned a proxy may revoke it at any time before it has been exercised. A proxy may be revoked by a registered Shareholder personally attending at the Meeting and voting their shares. A Shareholder may also revoke their proxy in respect of any matter upon which a vote has not already been cast by depositing an instrument in writing, including a proxy bearing a later date executed by the registered Shareholder or by their authorized attorney in writing, or, if the Shareholder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized, either at the office of the Company's registrar and transfer agent at the foregoing address or the head office of the Company, at c/o **Silver Range Resources Ltd., Suite 510 – 1100 Melville Street, Vancouver, British Columbia, V6E 4A6, Attention: Michael A. Power, President and Chief Executive Officer**, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof at which the proxy is to be used, or by depositing the instrument in writing with the Chairman of such Meeting, or any adjournment thereof. Only registered Shareholders have the right to revoke a proxy. Non-registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective nominees to revoke the proxy on their behalf.

### **Voting of Shares and Exercise of Discretion of Proxies**

Voting at the Meeting will be by a show of hands, each registered Shareholder and each proxyholder (representing a registered or unregistered Shareholder) having one vote, unless a poll is required or requested, whereupon each such Shareholder and proxyholder is entitled to one vote for each Common Share held or represented, respectively. Each Shareholder may instruct their proxyholder how to vote their Common Shares by completing the blanks on the proxy. All Common Shares represented at the Meeting by properly executed proxies will be voted or withheld from voting when a poll is required or requested and, where a choice with respect to any matter to be acted upon has been specified in the form of proxy, the Common Shares represented by the proxy will be voted in accordance with such specification. **In the absence of any such specification as**

**to voting on the proxy, the Management Designees, if named as proxyholder, will vote in favour of the matters set out therein.**

**The enclosed proxy confers discretionary authority upon the Management Designees, or other person named as proxyholder, with respect to amendments to or variations of matters identified in the Notice of Meeting and any other matters which may properly come before the Meeting. As of the date hereof, the Company is not aware of any amendments to, variations of or other matters which may come before the Meeting. If other matters properly come before the Meeting, then the Management Designees intend to vote in a manner which in their judgment is in the best interests of the Company.**

In order to approve a motion proposed at the Meeting, a majority of greater than 50% of the votes cast will be required (an “**ordinary resolution**”), unless the motion requires a “**special resolution**” in which case a majority of 66 2/3% of the votes cast will be required.

#### **Advice to Beneficial Holders of Common Shares**

Only registered holders of common shares of the Company or the persons they validly appoint as their proxies are permitted to vote at the Meeting. However, in many cases, common shares beneficially owned by a person (a "Non-Registered Holder") are registered either: (i) in the name of an intermediary (an "Intermediary") (including banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans) that the Non-Registered Holder deals with in respect of the shares, or (ii) in the name of a clearing agency (such as the Canadian Depository for Securities Limited) of which the Intermediary is a participant.

#### **Distribution to NOBOs**

In accordance with the requirements of the Canadian Securities Administrators and National Instrument 54-101 Communication with Beneficial Owners of Securities of a Reporting Issuer ("NI 54-101"), the Company will have caused its agent to distribute copies of the Notice Package directly to those Non-Registered Holders who have provided instructions to an Intermediary that such Non-Registered Holder does not object to the Intermediary disclosing ownership information about the beneficial owner ("Non-Objecting Beneficial Owner" or "NOBO"). As a result, NOBOs can expect to receive a VIF, together with the Notice of Meeting and other documents in the Notice Package, from our transfer agent, Computershare. These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting services as described in the VIF. In that regard, Computershare is required to follow the voting instructions properly received from NOBOs. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive. **NOBOs should carefully follow the instructions of Computershare, including those regarding when and where the completed VIFs are to be returned to Computershare.**

Should a NOBO wish to attend and vote at the Meeting in person, the NOBO must insert the NOBO's name (or such other person as the NOBO wishes to attend and vote on the NOBO's behalf) in the blank space provided for that purpose on the VIF and return the completed VIF in line with the instructions provided or the NOBO must submit to the Company any other document in writing that requests that the NOBO or a nominee of the NOBO be appointed as proxyholder. In such circumstances with respect to proxies held by management in respect of securities owned by the NOBO so requesting, the Company must arrange, without expense to the NOBO, to appoint the NOBO or a nominee of the NOBO as a proxyholder in respect of those securities. Under NI 54-101, if the Company appoints a NOBO or a nominee of the NOBO as a proxyholder as aforesaid, the NOBO or nominee of the NOBO, as applicable, must be given the authority to attend, vote and otherwise act for and on behalf of management in respect of all matters that may come before the Meeting and any adjournment or continuance thereof, unless corporate law does not permit the giving of that authority. Pursuant to NI 54-101,

if the Company appoints a NOBO or its nominee as proxyholder as aforesaid, the Company must deposit the proxy within the timeframe specified above for the deposit of proxies, if the Company obtains the instructions at least one (1) business day before the termination of that time.

Meeting materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your shareholdings have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send meeting materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the VIF enclosed with mailings to NOBOs. Please carefully review the instructions on the VIF for completion and deposit.

**NOBOs that wish to change their vote must, in sufficient time in advance of the Meeting, contact Computershare to arrange to change their vote.**

### **Distribution to OBOs**

In addition, the Company will have caused its agent to deliver copies of the Notice Package to the clearing agencies and Intermediaries for onward distribution to those non-registered shareholders who have provided instructions to an Intermediary that the beneficial owner objects to the Intermediary disclosing ownership information about the beneficial owner ("Objecting Beneficial Owner" or "OBO"). Management does not intend to pay for Intermediaries to forward proxy-related materials to OBOs and OBOs will not receive the materials unless the OBO's Intermediary assumes the cost of delivery.

Intermediaries are required to forward the Notice Package to each OBO unless such OBO has waived his or her right to receive them. Intermediaries often use service companies such as Broadridge Proxy Services to forward the Notice Packages to OBOs. With those Notice Packages, Intermediaries or their service companies should provide OBOs with a "request for voting instruction form" which, when properly completed and signed by such OBO and returned to the Intermediary or its service company, will constitute voting instructions which the Intermediary must follow. The purpose of this procedure is to permit OBOs to direct the voting of the shares that they beneficially own. In either case, the purpose of this procedure is to permit the OBO to direct the voting of the shares he or she beneficially owns.

Should an OBO wish to attend and vote at the Meeting in person, the OBO must insert the OBO's name (or such other person as the OBO wishes to attend and vote on the OBO's behalf) in the blank space provided for that purpose on the request for voting instruction form and return the completed request for voting instruction form to the Intermediary or its service provider or the OBO must submit, to their Intermediary, any other document in writing that requests that the OBO or a nominee of the OBO be appointed as proxyholder. In such circumstances, an Intermediary who is the registered holder of, or holds a proxy in respect of, securities owned by an OBO is required under NI 54-101 to arrange, without expense to the OBO, to appoint the OBO or a nominee of the OBO as a proxyholder in respect of those securities. Under NI 54-101, if an Intermediary appoints an OBO or the nominee of an OBO as a proxyholder as aforesaid, the OBO or nominee of the OBO, as applicable, must be given the authority to attend, vote and otherwise act for and on behalf of the Intermediary in respect of all matters that may come before the Meeting and any adjournment or continuance thereof, unless corporate law does not permit the giving of that authority. Pursuant to NI 54-101, an Intermediary who appoints an OBO or its nominee as proxyholder as aforesaid is required under NI 54-101 to deposit the proxy within the timeframe specified above for the deposit of proxies, if the Intermediary obtains the instructions at least one (1) business day before the termination of that time.

**OBOs should carefully follow the instructions of their Intermediary, including those regarding when and where the completed request for voting instructions is to be delivered.**

**OBOs that wish to change their vote must, in sufficient time in advance of the Meeting, arrange with their respective Intermediaries to change their vote and if necessary revoke their proxy in accordance with the revocation procedures set out above.**

## **B. Compensation Discussion and Analysis**

### **COMPENSATION PROGRAM OBJECTIVES**

The Company’s compensation policies and programs are designed to be competitive with similar junior resource exploration companies and to recognize and reward executive performance consistent with the success of the Company. These policies and programs are intended to attract and retain capable and experienced people. The Company’s Corporate Governance and Compensation Committee’s role and philosophy is to ensure that the Company’s goals and objectives, as applied to the actual compensation paid to the Company’s President and Chief Executive Officer and other executive officers, are aligned with the Company’s overall business objectives and with shareholders’ interests.

In addition to informal industry comparables from publicly available information, the Corporate Governance and Compensation Committee considers a variety of factors when determining both compensation policies and programs and individual compensation levels. These factors include the long-range interests of the Company and its shareholders, overall financial and operating performance of the Company, and the Corporate Governance and Compensation Committee’s assessment of each executive’s individual performance and contribution toward meeting corporate objectives. Performance is also recognized through the Company’s incentive stock option plan.

### **ROLE OF EXECUTIVE OFFICERS IN DETERMINING COMPENSATION**

The Corporate Governance and Compensation Committee reviews and recommends compensation policies and programs to the Company, as well as salary and benefit levels for the Company’s executives. The Company’s President and Chief Executive Officer may not be present during meetings of the Corporate Governance and Compensation Committee at which their compensation is being discussed. The Board of Directors makes the

final determination regarding the Company's compensation programs and practice.

#### **ELEMENTS OF THE COMPENSATION PROGRAM FOR FISCAL YEAR 2021**

The total compensation plan for the NEOs is comprised of two components: base salary or consulting fees and stock options. There is no policy or target regarding cash and non-cash elements of the Company's compensation program. The Corporate Governance and Compensation Committee annually reviews the total compensation of the Company's executives against the backdrop of the compensation goals and objectives described above and make recommendations to the Board of Directors concerning the individual components of the executives' compensation.

#### **SALARIES AND CONSULTING FEES**

As a junior exploration resource company with no ongoing cash flow or revenues from production, the Company pays no salaries and establishes consulting fees to its executive officers at levels that are considered to be consistent with industry standards and in keeping with the Company's available resources.

#### **STOCK OPTIONS**

The Company has a Stock Option Plan (the "Plan") in place for the granting of stock options to the directors, officers, employees and consultants of the Company. The purpose of granting such stock options is to assist the Company in compensating, attracting, retaining and motivating such persons and to closely align the personal interest of such persons to that of the Company's shareholders, having regard to the fact that the Company has no ongoing cash flow or revenue from production and, as a result, there are limited funds available for the payment of salaries or consulting fees. The allocation of options under the Plan is determined by the Corporate Governance and Compensation Committee which, in determining such allocations, considers such factors as previous grants to individuals, overall Company performance, share price, the role and performance of the individual in question, the amount of time directed to the Company's affairs and time expended in serving on the Company's committees.

#### **RISK CONSIDERATIONS**

The Corporate Governance and Compensation Committee reviews from time to time and at least once annually, the risks, if any, associated with the Company's compensation policies and practices at such time. Such a review occurred at the time of preparation of this Compensation Discussion and Analysis. Implicit in the Corporate Governance and Compensation Committee's mandate is that the Company's policies and practices respecting compensation, including those applicable to the Company's executives, be designed in a manner which is in the best interests of the Company and its shareholders, and risk implications is one of many considerations which are taken into account in such design.

It is anticipated that a portion (set at a level consistent with its industry peers) of the Company's executive compensation will consist of options granted under the Plan. Such compensation is both "long term" and "at risk" and, accordingly, is directly linked to the achievement of long term value creation. As the benefits of such compensation, if any, are not realized by the executives until a significant period of time has passed, the ability of executives to take inappropriate or excessive risks that are beneficial to them from the standpoint of their compensation at the expense of the Company and its shareholders is extremely limited.

Consulting fees are the remaining portion of an executive's total compensation. While consulting fees are not "long term" or "at risk", as noted above, these components of compensation represent only part of total potential compensation, and the Company's ability to continue to pay these consulting fees is directly dependent upon its continued ability to operate. As a result, it is unlikely that an executive would take inappropriate or excessive

risks at the expense of the Company and its shareholders when these actions might compromise his or her consulting fees and might put his or her long-term compensation at risk.

Due to the relatively small size of the Company, and the current level of the Company’s activity, the Board and the Corporate Governance and Compensation Committee are able to closely monitor and consider any risks which may be associated with the Company’s compensation policies and practices. Risks, if any, may be identified and mitigated through regular Board meetings, during which financial and other information pertaining to the Company will be reviewed, which review will include executive compensation. No risks have been identified arising from the Company’s compensation policies and practices that are reasonably likely to have a material adverse effect on the Company.

There are no policies in place pursuant to which an NEO or director is permitted to purchase financial instruments including, for greater certainty, prepaid variable forward contracts, equity swaps, collars or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by an NEO or director.

**C. Summary Compensation Table**

Michael A. Power, the Company’s CEO and Larry Donaldson, the Company’s CFO, are the NEOs of the Company for the purposes of the following disclosure. The compensation for the NEOs, directly or indirectly, for the Company’s three most recently-completed financial years is as follows:

There were no incentive stock options granted by the Company during the financial year ended December 31, 2019. The Company calculated the compensation cost by using the Black-Scholes option pricing model as follows: for options granted in 2021 by assuming a risk-free interest rate yield of 1.40%, a dividend yield of nil, the expected annual volatility of the Company’s share price of 90.00% and an expected life of the options of five years; and for options granted in 2020 by assuming a risk-free interest rate yield of 1.13%, a dividend yield of nil, the expected annual volatility of the Company’s share price of 89.00% and an expected life of the options of five years. There was no cash compensation actually paid to any of the NEOs disclosed in the above table in connection with the granting of the incentive stock options in respect of which these “Option-based awards” were calculated.

**D. Incentive Plan Awards**

The Company has in place a Stock Option Plan (the “Plan”) for the purpose of attracting and motivating Directors, Officers, Employees and Consultants of the Company and advancing the interests of the Company by affording such persons the opportunity to acquire an equity interest in the Company through rights granted under the Plan to purchase shares of the Company. A copy of the Plan will be available for review at the Meeting.

Options are granted from time to time under the Plan as determined by the Board of Directors upon recommendation from the Corporate Governance and Compensation Committee, including options granted to executive officers. Previous grants of options under the Plan are taken into account when the granting of new options is being considered.

The Company does not have any share-based awards in place.

**OUTSTANDING SHARE-BASED AWARDS AND OPTION-BASED AWARDS**

The following table discloses the particulars of all awards for each NEO outstanding at the end of the Company’s financial year ended **December 31, 2021**, including awards granted before this most recently completed financial year:

### CORPORATE GOVERNANCE

Pursuant to National Policy 58-101 – Disclosure of Corporate Governance Practices ("NP 58-101") the Company is required to and hereby discloses its corporate governance practices as follows:

## 1. Board of Directors

The Board of Directors of the Company facilitates its exercising of independent supervision over the Company's management through meetings of the Board, both with and without members of the Company's management (including members of management that are also directors) being in attendance.

Tim Termuende, Bruce A. Youngman, Steve Kenwood and Elizabeth Wallinger are "independent" directors in that each is independent and free from any interest, and any business or other relationship which could reasonably be perceived to materially interfere with the director's ability to act with the best interests of the Company, other than interests and relationships arising from shareholdings.

Michael A. Power and W. Douglas Eaton are members of management and/or provide services to the Company for which they are compensated, and are therefore not independent.

The mandate of the Board, as prescribed by the *Business Corporations Act (British Columbia)*, is to manage or supervise the management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company's affairs directly and through its committees.

## 2. Directorships

Certain of the directors of the Company are presently a director in one or more other reporting issuers, as follows:

### Directors

W. Douglas Eaton

Bruce A. Youngman

**3. Orientation and Continuing Education**

Each new director brings a different skill set and professional background, and with this information, the Board is able to determine what orientation to the nature and operations of the Company's business will be necessary and relevant to each new director. The Company provides continuing education for its directors as such need arises and encourages open discussion at all meetings which format encourages learning by the directors.

**4. Ethical Business Conduct**

The Board expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company's business plan and to meet performance objectives and goals.

In addition, the Board must comply with conflict of interest provisions in Canadian corporate law, including relevant securities regulatory instruments, in order to ensure directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

**5. Nomination of Directors**

The Board determines new nominees to the Board, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members and the President of the Company. The Board monitors but does not formally assess the performance of individual Board members or committee members on their contributions.

**6. Compensation**

The Company has a Corporate Governance and Compensation Committee, the current members of which are Bruce A. Youngman and Michael A. Power. This Committee administers the Company's compensation program, the objectives of which are:

- (a) to attract and retain qualified and experienced executives to drive the continued development of the Company and its current and future mineral exploration assets, thereby creating shareholder value; and
- (b) to provide executives with appropriate compensation and incentives so as to encourage the development of the Company.

**7. Other Board Committees**

The Company also has a Technical Committee to advise on matters pertaining to the Company's mineral property interests, the current members of which are Roger Hulstein, Harmen Keyser, Randy Vance, Lou Covello, Gary Vivian and Dick Reed.

## **8. Assessments**

The Board will annually review its own performance and effectiveness as well as review annually the Audit Committee Charter and recommend revisions to the Board as necessary. Neither the Company nor the Board has determined formal means or methods to regularly assess the Board, its committees or the individual directors with respect to their effectiveness and contributions. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of an individual director are informally monitored by the other Board members, having in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

The Company feels its corporate governance practices are appropriate and effective for the Company, given its relatively small size and limited operations. The Company's method of corporate governance allows for the Company to operate efficiently, with simple checks and balances that control and monitor management and corporate functions without excessive administrative burden.

### **AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITOR**

National Instrument 52-110 of the Canadian Securities Administrators ("NI 52-110") requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth in the following.

#### **A. Audit Committee Charter**

The Company's audit committee is governed by an audit committee charter, the text of which is attached as Schedule "A" to this Information Circular.

#### **B. Composition of the Audit Committee**

The Company's audit committee consists of three directors, being Michael A. Power, Elizabeth Wallinger and Bruce A. Youngman. As defined in NI 52-110, each of Elizabeth Wallinger and Bruce A. Youngman are "independent" and Michael A. Power is not "independent".

A member of the audit committee is "independent" if the member has no direct or indirect material relationship with the Company. A material relationship means a relationship which could, in the view of the Company's board of directors, reasonably interfere with the exercise of the member's independent judgment.

#### **C. Relevant Education and Experience**

NI 52-110 provides that a member of the audit committee is considered to be "financially literate" if he has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexities of the issues that can reasonably be expected to be raised by the Company.

All of the members of the Company's audit committee are considered to be "financially literate", as that term is defined in NI 52-110.

Michael A. Power has over 30 years of experience in the minerals industry. Since 2016, he has served as a CEO, President and a Director of Silver Range Resources Ltd. From 2011 through 2016, he was President and CEO of Panarc Resources Ltd., a private prospect generator operating across Northern Canada and in Nevada. From 1988 through 2000, he was President of Amerok Geosciences Ltd., a geophysical and geological consulting firm operating in Northern Canada and Alaska. Mr. Power has B.Sc. (Hon) degree in Geology (1986) and M.Sc. degree in Geophysics (1988), both from the University of Alberta.

Elizabeth Wallinger holds a B.Sc. in Earth and Ocean Sciences from the University of British Columbia, and an MBA from Thompson Rivers University and is a Chartered Professional Accountant in British Columbia. Since 2011, she has worked in the mineral exploration industry as an exploration geologist with Archer, Cathro & Associates (1981)Limited and most recently at Sentinel Corporate Services Inc. as a corporate controller for various junior mining companies.

Bruce A. Youngman has over 30 years of experience in the minerals industry. From 2010 to 2015, he served as Chairman and as a Director of Strategic Metals Ltd., and has remained a Director since 2015. From 2008 to 2010, he was the President and Chief Operating Officer of Canplats Resources Corporation (“Canplats”), during which time the 4 million ounce Camino Rojo deposit in Mexico was outlined, with Canplats having been subsequently acquired by Goldcorp Inc. for \$300 million. Mr. Youngman previously held senior positions with Northern Dynasty Minerals Ltd., including as its President, Vice-President and as a Director. Mr. Youngman graduated with a Bachelor of Science degree in Geology from the University of British Columbia in 1981.

The board of directors believes that the audit committee members have the relevant education and experience to comply with NI 52-110.

Since the commencement of the Company’s most recently completed financial year, the Company’s Board of Directors has not failed to adopt a recommendation of the audit committee to nominate or compensate an external auditor.

Since the effective date of NI 52-110, the Company has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

The audit committee has not adopted specific policies and procedures for the engagement of non-audit services. Subject to the requirements of NI 52-110, the engagement of non-audit services is considered by the Company’s Board of Directors, and where applicable the audit committee, on a case-by-case basis.

#### **D. External Auditor Service Fees**

In the following table, “audit fees” are fees billed by the Company’s external auditor for services provided in auditing the Company’s annual financial statements for the subject year. “Audit-related fees” are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company’s financial statements. “Tax fees” are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. “All other fees” are fees billed by the auditor for products and services not included in the foregoing categories.

The fees paid by the Company to its auditor in each of the last two fiscal years, by category, are as follows:

**C. Adoption of new Incentive Stock Option Plan**

At the Meeting, shareholders will be asked to consider and, if thought advisable, to pass an ordinary resolution approving the adoption of a new Stock Option Plan (the "New Plan"), to replace the existing Stock Option Plan (the "Current Plan"), the renewal of which was most recently approved by shareholders at the Company's 2021 Annual General Meeting held on December 3, 2021. The terms of the New Plan are similar to those of the Current Plan, but revised to specifically address the current Policies of the Exchange applicable to Stock Option Plans. 6. as long as required by Exchange policy, no one individual may receive options on more than 5% of the issued and outstanding shares of the Company (the "Outstanding Shares") in any 12 month period, no one consultant may receive options on more than 2% of the Outstanding Shares in any 12 month period, and options granted to persons employed to provide investor relations services may not exceed, in the aggregate, 2% of the Outstanding Shares in any 12 month period;

### ***Background and Purpose of the Rights Plan***

The Rights Plan is designed to encourage the fair treatment of shareholders in connection with any take-over bid for the Company. The Rights Plan will provide the Board and the shareholders with more time to fully consider any unsolicited take-over bid for the Company; it will allow the Board to pursue, if appropriate, other alternatives to maximize shareholder value and it will allow additional time for competing bids to emerge. The Board does not believe that the time permitted under current securities legislation is sufficient to permit the Board to determine whether there may be alternatives available to maximize shareholder value or whether other bidders may be prepared to pay more for the Company's shares than the Offeror. In addition, the Board is concerned that, while securities legislation has addressed many concerns of unequal treatment of shareholders, there remains the possibility that control or effective control may be acquired pursuant to a private agreement in which a small number of shareholders dispose of shares at a premium to market price which is not shared with the other shareholders. Also, a person may slowly accumulate shares through stock exchange acquisitions which may result, over time, in an acquisition of control without payment of fair value for control or fair sharing of any control premium among all shareholders. The Rights Plan addresses these concerns by applying to all acquisitions of 20% or more of the common shares of the Company.

Under the Rights Plan, a bidder making a Permitted Bid (as defined below) for the common shares may not take up any shares before the close of business on the sixtieth (60th) day after the date of the bid and unless at least 50% of the common shares not Beneficially Owned by the person making the bid and certain related parties are tendered or deposited and not withdrawn, in which case, a public announcement of that fact must be made and the bid must be extended for not less than ten (10) business days on the same terms. The Rights Plan will encourage an Offeror to proceed by way of a Permitted Bid, or to approach the Board with a view to negotiation by creating the potential for substantial dilution of the Offeror's position. The Permitted Bid provisions of the Rights Plan are designed to ensure that in any take-over bid, all shareholders are treated equally, receive the maximum available value for their investment and are given adequate time to properly assess the bid on a fully informed basis.

In recent years, unsolicited take-over bids have been made for the shares of a number of Canadian companies. Many of these companies had a shareholder rights plan in place which was used by the board of directors of the target company to gain time to seek alternatives to the bid with the objective of enhancing shareholder value. In most cases, a change of control ultimately occurred at a price in excess of the original bid price; accordingly, the existence of a shareholder rights plan should not and is not intended to prevent unsolicited take-over bids for the common shares of the Company.

Canadian securities regulators have concluded in recent decisions relating to shareholder rights plans that a target company's board of directors will not be permitted to maintain a shareholder rights plan solely to prevent

a bid, but may do so if the board is actively seeking alternatives to a take-over bid, and if there is a real and substantial possibility that the board can increase shareholder choice and maximize shareholder value.

The Rights Plan is not being proposed in response to, or in anticipation of, any particular acquisition or take-over offer and is not intended to prevent a take-over of the Company, to secure continuance of current management or the directors in office or to deter fair offers. The Rights Plan does not inhibit any shareholder from using the proxy mechanism set out in the *Business Corporations Act* (British Columbia) to promote a change in the management or direction of the Company. The Rights Plan may, however, increase the price to be paid by a potential Offeror to obtain control of the Company and may discourage certain opportunistic and coercive offers that might not be in the best interests of all shareholders.

The Rights Plan does not affect in any way the financial condition of the Company. The initial issuance of the Rights is not dilutive and will not affect reported earnings or cash flow per share until the Rights separate from the underlying common shares and become exercisable. The adoption of the Rights Plan will not lessen or affect the duty of the Board to act honestly and in good faith with a view to the best interests of the Company and its shareholders. The issuance of Rights will not change the manner in which shareholders currently trade their common shares. Shareholders do not have to return their certificate(s) in order to have the benefit of the Rights.

### ***Terms of the Rights Plan***

The following is a summary of the terms of the Rights Plan. This summary is qualified in its entirety by the Rights Agreement. The full text of the Rights Plan will be available for review at the Meeting and will be available for review prior to the Meeting upon request made to the Company at: Silver Range Resources Ltd., Suite 510 – 1100 Melville Street, Vancouver, B.C. V6E 4A6, Attention: Vice-President, Communications; e-mail: [rdrechsler@silverrangeresources.com](mailto:rdrechsler@silverrangeresources.com).

To implement the Plan, one Right will be issued by the Company pursuant to the Rights Agreement in respect of each common share outstanding at 4:00 p.m. (Vancouver time) on November 19, 2021 (the “Record Time”). One Right also will be issued for each additional common share issued after the Record Time and prior to the earlier of the Separation Time (as defined below) and the Expiration Time. Each Right will entitle the holder, from and after the Separation Time and prior to the Expiration Time, to purchase from the Company one common share at a price equal to one-half of the market price for the common shares of the Company, subject to certain anti-dilution adjustments. The Rights will not be exercisable until the Separation Time. Upon the occurrence of a Flip-in Event (as defined below), each Right held by a non-Acquiring Person will become exercisable and may be traded separately from the common shares.

The issuance of Rights will not change the manner in which shareholders currently trade their common shares. Shareholders do not have to return their share certificate(s) in order to have the benefit of the Rights.

Until the Separation Time, the Rights will trade together with the common shares, will be represented by the common share certificate, and will not be exercisable. After the Separation Time, the Rights will become exercisable, will be evidenced by Rights certificates, and will be transferable separately from the common shares.

The Separation Time is defined in the Rights Agreement as the close of business on the tenth (10th) Trading Day (or such later day as may be determined by the Board) after the earlier of:

- (a) the Stock Acquisition Date, which is the date of the first public announcement by the Company or an Acquiring Person indicating that an Acquiring Person has become such (defined in the Rights Agreement as a person who has acquired, other than pursuant to an exemption available

under the Rights Plan or pursuant to a Permitted Bid, Beneficial Ownership of 20% or more of the outstanding Voting Shares of the Company);

- (b) the date of the commencement of, or first public announcement (provided such announcement is made after the Record Time) of an intention of any Person (other than the Company or any Subsidiary of the Company) to commence, a Take-over Bid (other than a Permitted Bid or a Competing Permitted Bid) to acquire Beneficial Ownership of 20% or more of the Voting Shares of the Company; and
- (c) the date on which a Permitted Bid or Competing Permitted Bid ceases to be such.

A Permitted Bid is defined in the Rights Agreement as a Take-over Bid which is made by means of a Take-over Bid circular and which also complies with the following requirements:

- (a) the Take-over Bid is made to all registered holders of Voting Shares, other than the Person making the Take-over Bid;
- (b) the Take-over Bid contains, and the take-up and payment for securities tendered or deposited thereunder is subject to, an irrevocable and unqualified condition that no Voting Shares shall be taken up or paid for pursuant to the Take-over Bid prior to the close of business on the date which is not less than sixty (60) days following the date the take-over bid circular is sent to the holders of Voting Shares, and only if at such date more than 50% of the Voting Shares held by Independent Shareholders shall have been deposited or tendered pursuant to the Take-over Bid and not withdrawn;
- (c) the Take-over Bid contains an irrevocable and unqualified provision that, unless the Take-over Bid is withdrawn, Voting Shares may be deposited pursuant to such Take-over Bid at any time during the period of time specified in (b) above and that any Voting Shares deposited pursuant to the Take-over Bid may be withdrawn until taken up and paid for; and
- (d) the Take-over Bid contains an irrevocable and unqualified provision that if, on the date on which Voting Shares may be taken up and paid for, more than 50% of the Voting Shares held by Independent Shareholders shall have been deposited or tendered pursuant to the Take-over Bid and not withdrawn, the Offeror will make a public announcement of that fact and the Take-over Bid will remain open for deposits and tenders of Voting Shares for not less than ten (10) business days from the date of such public announcement.

If an Offeror successfully completes a Permitted Bid, the Rights Plan provides that the Rights will be redeemed at \$0.00001 per Right.

A Permitted Bid, even if not approved by the Board, may be taken directly to the shareholders of the Company. Shareholder approval will not be required for a Permitted Bid. Instead shareholders of the Company will initially have sixty (60) days to tender or to deposit their shares. If more than 50% of the Voting Shares (other than shares Beneficially Owned by the Offeror) have been tendered or deposited and not withdrawn by the end of such sixty (60) day period, the Permitted Bid must be extended for a further period of ten (10) business days to allow initially disapproving shareholders to deposit their shares if they so choose.

If a potential Offeror does not wish to make a Permitted Bid, it can negotiate with, and obtain the prior approval of, the Board to make a bid pursuant to a Take-over Bid circular on terms which the Board considers fair to all shareholders. In such circumstances, the Board may waive the application of the Rights Plan to the transaction, thereby allowing such bid to proceed without dilution of the Offeror, and will be deemed to have waived the

application of the Rights Plan to all other contemporaneous bids made by Take-over Bid circular. All other waivers require shareholder approval except in the case of inadvertent triggering of the application of the Rights Plan.

Under the Rights Agreement, a Flip-in Event is any transaction pursuant to which any Person becomes an Acquiring Person. Except as set out below, upon the occurrence of any Flip-in Event, from and after the close of business on the tenth (10th) trading day following the Stock Acquisition Date:

- (a) any Rights Beneficially Owned by the Acquiring Person and Affiliates, Associates and Transferees of the Acquiring Person or any Person acting jointly or in concert with the Acquiring Person will become void; and
- (b) each Right (other than Rights which are void) will entitle the holder thereof to purchase that number of common shares having an aggregate market price on the date of consummation or occurrence of such Flip-in Event equal to twice the relevant Exercise Price.

Accordingly, a Flip-in Event that is not approved by the Board will result in significant dilution to an Acquiring Person. The Board may, with shareholder approval, at any time prior to the occurrence of a Flip-in Event, elect to redeem all but not less than all of the outstanding Rights at a redemption price of \$0.00001 per Right.

The Company may, from time to time, supplement or amend the Rights Agreement to correct clerical or typographical errors or to maintain the validity of the Rights Agreement as a result of a change in law. All other amendments after the Meeting require shareholder approval.

#### ***Canadian Federal Income Tax Consequences***

The Company will not include any amount in income for the purposes of the *Income Tax Act* (Canada) as a result of the issue of the Rights. A right to acquire additional shares of the Company granted to a common shareholder does not constitute a taxable benefit to the recipient that must be included in income or that is subject to non-resident withholding tax if all holders of common shares are granted such right. A Right was issued in respect of each common share outstanding at the Record Time. Therefore, holders of common shares should not have an income inclusion or liability for non-resident withholding tax upon the issuance of the Rights. In any event, the Company considers that the Rights have a negligible monetary value because the Company is not aware of any acquisition or take-over bid which would give rise to a Flip-in Event.

Although a holder of a Right may have income or may be subject to non-resident withholding tax if the Rights become exercisable, are exercised or redeemed, the Company considers the likelihood of such an event occurring to be remote.

#### ***Shareholder Approval***

The Rights Plan and the issuance of the Rights thereunder will be approved, ratified and confirmed by shareholders when the Rights Plan and the issuance of the Rights thereunder have been approved by a majority of the votes cast in respect thereof, without giving effect to any votes cast (i) by any shareholder that, directly or indirectly, on its own or in concert with others, holds or exercises control over more than 20% of the outstanding voting shares of the Company, if any; and (ii) by the associates, affiliates and insiders of any person referred to in (i) above.

The form of the resolution to be placed before shareholders at the Meeting is as follows:

**“Be it Resolved That, as an Ordinary Resolution, with or without Amendment:**

1. The shareholder rights plan as described in the management information circular dated April 4, 2022, prepared in connection with this annual general and special meeting of shareholders, is hereby approved, ratified and confirmed, with or without amendment.
2. The board of directors of the Company is authorized to perform such further acts and execute such further documentation as may be required to give effect to the foregoing."

**As disclosed above, the persons named in the enclosed form of proxy intend to vote at the Meeting for the approval, ratification and confirmation of the Rights Plan and the issuance of Rights thereunder, unless otherwise directed by the shareholder appointing them.**

**OTHER MATTERS TO BE ACTED UPON**

The Company will consider and transact such other business as may properly come before the Meeting or any adjournment thereof. The Management of the Company knows of no other matters to come before the Meeting other than those referred to in the Notice of Meeting. Should any other matters properly come before the Meeting, the shares represented by the proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting by proxy.
